SPECIAL FILMING CONDITIONS TOLUCA LAKE COMMUNITY

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These Special Filming Conditions apply to the area bounded by: Cahuenga Boulevard., Camarillo Street, the Burbank city boundary and the Los Angeles River. **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*

- **At least three signs measuring no less than 2-feet by 3-feet must be posted in public view whenever the company is working in the community.** The signs must have the names of the production company, the production title, the person to contact should something need to be resolved. The signs must also have a production company phone number.
- **Cast and crew must be bused or shuttled to all Toluca Lake residential filming locations.** Only vehicles authorized by the film permit may be parked on the street where filming is to take place. Personal cars are not to be parked on residential streets in the Toluca Lake area.
- **Production vehicle parking will be limited to one side of the street at all times.**
- **Vehicle and/or pedestrian traffic can be halted for periods up to 90 seconds under the authority of FilmL.A.** Longer periods require the concurrence of FilmL.A.
- **Copies of these Special Conditions must be distributed by the production company to every off-duty/retired police officer authorized to work location filming assignments before or at the time of arrival at the location.**
- Production companies must attach copies of these Special Conditions to their call sheets when working in Toluca Lake.
